EGGO

ECLIPSE EGO7 MARKER

With so many of today's top paintball players and teams **choosing** to use the **Ego7** marker to propel them to the top of **podiums** worldwide, can you afford to shoot anything else? **Re-designed, re-engineered,** required whenever you step onto the field!

FEATURES

- > New integrated rammer housing
- > New integrated Front Reg Mount
- > New lower operating pressure.
- > New O7 Cure bolt.
- > New Opto and micro-switch board.

ETEK™

GET IN THE GAME.

ETEK EGO MARKER

The **Etek Ego** is designed for **ease** and **simplicity** of use with fewer customizable board features than the Eclipse Ego Markers, it combines a condensed **LED user interface** and **intuitive** display with a much broader pricing appeal. **Get in the Game!**

FEATURES

- > LED visual interface
- > Condensed board features
- > Simple to operate
- > Quick to configure
- > Ready to rock!

08 MARKER SPARES

SPARES

This is a selection of our Spares, for more details and to see our full range please visit our website planetecclipse.com or contact your local dealer.

MULTI-REG SPARES KIT

Replacement spares to service your Inline Regulator and Low Pressure Regulator.

ECLIPSE SHAFT & BARREL KIT

3 different bores size backs, 2 different length barrel tips; a combination to suit every occasion.

Ego7 CCU UPGRADE KITS

This unique kit allows you to swap and customise the look of your Ego7 marker by replacing these key components.

find your local dealer at planetecclipse.com

ZICK KIT

Kick? What Kick? Add the ZICK Kit and the existing amount of kick when shooting your Ego 7 will be reduced even further. Includes a replacement rammer and rammer cap that must only be used together.

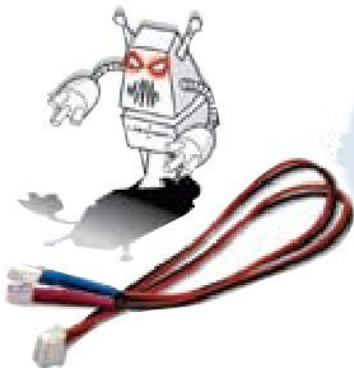

ECLIPSE GUN OIL

The recommended oil to use on all maintenance and servicing procedures.

ECLIPSE EGO/ ETEK TOOL TUBE

This handy little tool tube includes all of the hex key sizes that you will need to strip and maintain your Ego or Etek marker.

LASER EYE KIT

Add a Red Laser Beam to the breach of your Ego7 or Etek marker with this Laser Eye Kit! This product is not compatible with other Egos.

BESS SPARES KIT

Replacement Break-Beam Sensor System kit for your Ego7.
