

PLANET ECLIPSE: EMEK FL 3-WAY VALVE

USER MANUAL: ENGLISH

+ECLIPSE
PERFORMANCE PARTS

EMEK
ETHA 2
EMF100

WARNING

BE SAFE. BE SMART. PLEASE READ CAREFULLY BEFORE USE.

-  **PLANET ECLIPSE PAINTBALL EQUIPMENT IS NOT A TOY. PAINTBALL SAFETY RULES MUST BE FOLLOWED AT ALL TIMES.**
-  Careless or improper use of the marker and/or parts, including failure to follow instructions and warnings within this User Manual could cause serious injury or even death.
-  Do not remove or deface any warnings attached to the marker.
-  Paintball industry standard eye/face/ear and head protection designed specifically to stop paintballs and meeting ASTM standard F1776 (USA) or CE standard (Europe) must be worn by the user and any person within range. Proper protection must be worn during assembly, cleaning and maintenance.
-  Hearing protection should be worn.
-  Never shoot at a person who is not wearing proper protection.
-  Never look directly into the barrel of the marker. Accidental discharge into the eyes may cause permanent injury or even death. Never look into the barrel or breech area of the marker whilst the marker is switched on and able to fire.
-  Keep the marker switched off until ready to shoot.
-  Treat every marker as if it is loaded and ready to fire.
-  The electronic On/Off button or mechanical Safety switch is the marker's disabling device. Always switch the marker off when not in use.
-  Always fit a barrel-blocking device to the marker when not in use.
-  Always remove paintballs from the marker when not in use.
-  Do not field strip or remove any parts while the marker is pressurised.
-  Do not pressurise the marker without all the components of the marker correctly installed, as high-pressure gas may be emitted.
-  Do not fire the marker without the bolt correctly installed.
-  Never put your finger or any foreign objects into the paintball feed tube of the marker.
-  Never allow pressurised gas to come into contact with any part of your body.
-  Always remove the first stage regulator and relieve all residual gas pressure from the marker before disassembly.
-  Always remove the first stage regulator and relieve all residual gas pressure from the marker for transport and storage.
-  Always follow guidelines given with your first stage regulator for safe transportation and storage.
-  Always store the marker in a secure place.
-  Observe all local and national laws, regulations and guidelines.
-  Persons under 18 years of age must have adult supervision when using or handling the marker.
-  Only use professional paintball fields where codes of safety are strictly enforced.
-  Use compressed air/nitrogen only. Do not use any other compressed gas or pressurised liquid including CO2.

WARNING

BE SAFE. BE SMART. PLEASE READ CAREFULLY BEFORE USE.

- ⚠ Always follow instructions, warnings and guidelines given with any first stage regulator you use with the marker.
- ⚠ Use 0.68 inch calibre paintballs only.
- ⚠ Always measure your marker's velocity before playing paintball, using a suitable chronograph.
- ⚠ Never shoot at velocities in excess of 300 feet (91.44 metres) per second, or at velocities greater than local or national laws allow.
- ⚠ Any installations, modifications or repairs should be carried out by a qualified individual at a licensed and insured paintball facility.
